Life and Me

Life was my brother
I thought like him
I talked like him
I acted like him
And believed that there was nothing better in this world
But one day when I found out the truth
I talked to him about it
I told him I didn't need to be him anymore
That I had my own thoughts
I had my own feelings
I had my own personality
Life stared at me with his dead eyes
And told me that he was in control
That I would be his toy forever
And I would never act like myself
Couple of minutes later I went outside
I felt a weird feeling in my heart
I looked around and after that
At the underside of my shoe
To check if something was left on it from earlier
In the end I felt freer then I have ever been
I wasn't being played around by the puppeteer
And made a new friend
His name was Death

Trying to be me

When I'm awake I'm fine
When I'm asleep I'm fine
But when I'm dead and alive
Mistakes seek shelter inside
They make my eyes blurry
So I wouldn't fully revive
When I'd come back to life
I'd regret the things I've done
I know what is right and wrong
But when I'm dead and alive
It's difficult to see outside
I regret not sleeping last night
I'm not the puppet of evil
I can overcome the strings
But when I'm dead and alive
My body's numb and my brain is too

Trail

I was lost in the woods trying to get out
I saw two Trail ways ahead of me
One lead to torture and the another lead to safety
I chose the second Trail and walked

I walked
And ran
And fell over

In the end of the Trail it collided with the first Trail
I still walked and didn't give up
I thought it didn't lead to a bad end
But the trail lead to the depths of hell

What's the point of choosing a path
If it will lead you to the same dead end

What's the point of keeping light
Close to you in random paths

Is it there to let you see
The options you'll have to take

Or is it there to drain your life
Giving you choices which all lead to hell

I wish I had a soul

One of the Demons decided to get out of hell

Instead of stopping those evil souls
he was waiting for them to die
He thought waiting was a waste of time

When he came back he knew the truth
Why demons never go outside
But he didn't understand one thing

What's the point of hell itself
If there's a bigger hell in the overworld

Fear of years

1 year

First minute you play a game in a boring day
Another minute you see crying faces cursing the
inevitable

2017 my Grandpa Tamazi 28th of June (2017;10...
I didn't even get to know him much

Second my other Grandpa
I didn't even remember times when we spent time
together

Third the world took the life of a child by drowning him to
death
He was a little brother of my little sister's friend
He wasn't even ready to die

Please take my life
Before you do it to anyone else

Is what I would've said
If I didn't care about the people
Who cared about my life

364 days
363 days
362 days

I'm getting closer to another loss
I don't know which year it will be
I don't know who the victim is
I just know it is coming closer

My Nightmares

I was able to control my dreams as a kid

But older I got the dreams got darker

Nothing was under my control

I drowned slowly dying

I cut myself to bleed out

I shot myself to end it quick

I jumped off and broke a leg

I lost my eyes once in a while

Sometimes I dreamt of having no soul

I told everyone that I had nightmares
and this is what they said to me

It's just a nightmare you'll be fine

We got lucky and survived

We don't have nightmares at all

We don't care what you're going through

We'd like to make it worse

If we can't fight we'll make up dumb crap

Dumb reasons for you to stop doing things you like

Either kill
Or die yourself

Another day

Another day another life
Another life another ride
Another ride another happy night

Another day another life
Another life another pain
Another pain another lie
Another lie another strike
Another strike another sleepless night

Another day another life
Another life another pain
Another pain another lie
Another lie another strike
Another strike another snap
Another snap another stab
Another stab another pain
Another pain with an end in sight

Change

I lived my life in the night
Growing trees which needed darkness
It wasn't easy keeping them alive
They took my sanity to stay alive
But when the sun rose up in the sky
All my plants started dying
When I tried bringing them to the dark
They only got even worse
Even if it was painful keeping them alive
They made me kind and relatable
They made me understand other people's pain
I didn't want them to die

1 captainsause story - sometimes instead of trying harder you have to try smarter

2 Eddsworld how Tord turned evil (Tord went to a war to protect his friends and his country, he got a friend named John in the army after John saved him from a sniper shooter, a red leader was the guy who started the war to get his hands on Tords giant robot and rule the world, when he found out that Tord got a friend he decided to lure him by capturing John as a hostage, he told Tord that if he didn't answer where the robot was he would kill his friend, Tord was about to answer but his friend got crushed by a steel piston multiple times, Tord went crazy and immediately tried to kill the hooded leader but he got an electrical shock from the invisible plasma shield that surrounded the hooded leaders " thrown ", the leader walked up to him grabbed Tord by his hair put a gun on his chest and we saw his face, the leader was Tords clone who survived in the clone episode. Tord shot his real self in the heart switched the gun to lift mode and brought Tords half dead body to the scientists to save his life and also put a robotic chip in his brain to control him and make him do whatever he wanted so he would kill his friends by his giant robot and after that chip would automatically explode in his head so the clone would take the robot for himself and rule the world. Eduardo also worked under the Red leader because he wanted to get paid by Red leaders technology so he'd prove to Edd that he was better than Edd (that's how he got the nuclear powered satellite dish in the Power Edd episode), right before The End episode 1 Eduardo changed his mind about getting another nuclear powered satellite dish

because in the Power Edd episode he learnt that he always was the number one and Edd was sorry about what happened earlier... so he got paid by a nuclear powered coffee machine instead. That's why Tord came back after so many years he wanted to get his Robot. After The End episode 2 Tord started having dreams of John dying in front of him, he didn't know who that guy was but he got a feeling of déjà vu. Eduardo decided to create a suit that would give him the same powers he got in the Super Edd episode to avenge his dead friend (he thought that the red leader killed his friend he didn't know about the fact that he was a clone) Tom started thinking that since there was no clue of Matt's corpse being in the ruins of his robot he thought he survived and was getting ready for another round so he went back to their old home to see if Matt had anything in their own home that could be useful against him and he saw blueprints of the monster human project.

After Edd discovering what Eduardo has been doing and offering to help Matt decided to give them an Idea of a costume HE could get by attaching the alien vanity drive (from the Space Face episode) to a robotic suit that would give him energy just by him looking in a mirror and complimenting himself. Tord started creating a human sized robot that worked with a nuclear energy generator by the help of his clone to get rid of his friends.)

11 real or not (green otherworld void) – before leaving
this world you have to leave something behind

12 the corpses of my mistakes: we only have two choices
in life either kill yourself or kill everyone else

13 rewritten Broly 2: the story surprisingly starts in a
universe where Goku and Vegeta died to Zamasu after
defusing and getting punched right after, when Trunks “
kills “ Zamasu he turns into a sky again but in this
Version nobody but Goku knows of the Zeno button
After that the story continues with the fight between
Gogeta and Broly in this timeline Broly has more potential
to get stronger so Gogeta is pushed to use ssjb kaioken
which made a bigger crack in the reality connecting those
two timelines together which means that Zamasu's sky
thing continued spreading to different universes and
realities

Now we see the timeline of the Original Broly but in this
reality Broly doesn't even know Goku he just wants to
escape from his father's control even talking to Gohan in
sign language to show he's in trouble

help

Nearly in the end of the movie Paragus tells Broly to attack Vegeta, Broly tries to control himself but he can't then Paragus thinks there is no other option other than to make his son angry so Broly will kill all the Z fighters and also he'd fly away before the planet would explode

The fight will happen like the original story but Broly in this version won't mess around he'll try to kill everybody so Vegeta does a smart move and while Broly is distracted by fighting Goku Vegeta cracks the mind control device Broly had on his head

Broly calms down and falls from exhaustion and right before Vegeta tries to kill him off a crack in the sky appears then Zamasu starts to spread

Broly gets up makes a large shield ball and captures all of the Z fighters in it after that he shrinks it to a good enough size so they will fit and the shield will be stronger

Broly blasts his beam on the shield to send them to space to save their lives

Broly tries to fly towards them with all the energy he has left then we zoom out to see that the last part of the planet got overtaken by Zamasu

The Z fighters thought that Broly died but suddenly Broly flies right into the shield opens it gets in and closes it quickly

Zamasu was spreading too quickly so the Z fighters decided to fly inside the ball towards earth so Goku would get close enough to teleport there (since Goku needed to track Vegeta's energy he was able to find the planet easily but there was nobody on earth but piccolo who was strong enough for him to teleport to) (oh and also In this timeline Piccolo is on earth it made no sense for him to be in the new planet Vegeta anyways) the shield was getting cracked by the forces the Z fighters were putting it to Gohan asked for them to stop pushing it but Goku said if they didn't they wouldn't get fast enough to escape that thing

Broly touches the shield to recover it giving the energy he has left to fix the shield and screamed: GO FASTER

Goku finally got close enough to teleport to piccolo and escape Zamasu then he flew into Capsule Corp to get the dragon radar to quickly find the dragon balls

Gohan Piccolo Future trunks and Krillin tried to look for the dragon balls as well Broly couldn't because he was in

a bad shape and Vegeta didn't because he wasn't developed enough to work as a team in that point in time

After 13 minutes six dragon balls were collected but Zamasu was visible in the sky getting closer to earth ready to erase that planet as well

Goku transformed into a super saiyan to fly around the world to see where the dragon ball is to the point of even slightly slowing down earth's spinning speed

Goku found the last dragon ball on the Radar and sheer coincidence it was the same place where Gohan lived so many years ago

Goku flew right back to Capsule Corp only having couple of seconds left to summon Shenron and wishing to Teleport the planet as far away as possible from that destructive floating thing

The planet didn't get teleported however which meant that the entire planet got vaporized by Zamasu, Goku thought he died but when he opened his eyes he looked... different he wasn't drawn in a 90s style he looked like a style of Shintani and behind him was teen trunks not the same as Future trunks

Then we see the universe where Goku and Vegeta died to Zamasu and we see Merus's perspective, he sees Zamasu spreading getting closer and closer to the time patrol prison so he ran and then flew towards his locker to take his staff and tried to connect to Whis but Whis didn't answer since in this timeline the Kai was killed therefore Beerus was killed therefore Whis can't do

anything so he tried to connect to Vados it didn't work the only angel left in that dimension was Moito since in his universe the god of destruction did his job well Zamasu thought it wasn't necessary to kill him he knew that he was doing a good job holding off the mortals, Merus told him to connect to Zeno to erase the- and before he could finish his sentence he got erased by Zamasu

Moito saw the whole thing and in sheer panic told Sidra to hold on to his back and travel to Zeno, Zamasu started spreading to different universes of that dimension and before it reached the kais of universe 9 Moito told Zeno to erase that thing before Sidra died and he stopped functioning, Zeno in that timeline erased Zamasu

Then we see in the dragon ball super Broly universe Broly has already been beaten but Zamasu got spread in that dimension too so Goku quickly got home took out his Zeno button and told Zeno to only erase Zamasu so it wouldn't hurt anybody else and keep everyone else alive Zeno since he liked Goku so much listened to him and erased Zamasu as well

The combined powers of three different Zeno's (one from the Goku black saga universe where Goku and Vegeta died and another two from dragon ball super Broly universe) all were able to erase that threat

Dbz version of all life actually got teleported to the closest other universe version of earth since Shenron only had enough power to transport all living things to that dimension instead of the whole planet. That universe is the universe that is taking place right after the majin buu saga.

I played ddlc on my parent's computer and I quit playing it when I got a choice

My little sister was an annoying idiot who would rat me out every time I played a downloaded game on my parent's computer

My older sister was a jerk doing nothing but trying to make me feel miserable by either physically or mentally harming me

My mom argued to me and everyone else all the time
And my dad assaulted me for not doing what he wanted me to do

I had nightmares of dark souls from harry potter at least all of their faces looked the same

There were four of them, one of them was like a plant which would grow behind me and catch me when I tried to run into the grave

The taller one would rip my bones out just to stab me with them

A ghost taller than her would yell into my face until my ear drums would burst and make me bleed
And the tallest one would pummel me down sometimes giving me a chance to run into the grave but every time I'd get closer he'd catch me again and throw me away
I cried a lot in those nightmares but overtime I stopped crying I was left with a blank face mixed with a face if disgust

I punched one of them but when I did they grew in size changed their color to red and attacked me even harder than before

When one of them caught me and yelled at me again I kicked her face escaped from her grasp and jumped into a hole in front of a gravestone it was my grave

There was nothing but bright white void surrounding me I looked up to see the demons (black souls) starring at me and yelling but a new one showed up which had white glowing eyes and a cross in the middle of his chest I took the cross that I had attached to my neck threw it to the ground and crushed it with my foot

After I woke up in the middle of the night I continued playing the game and when I finished it I realized something Monika knew my pain all along she never had a choice in life and when she made her own path I ruined the ending for her

I sneaked outside went to the nearest tall building I could find I went upstairs and grappled the cross that I still had I hoped that heaven actually existed

I jumped off

The second my legs pushed me off the building I realized one thing

Heaven doesn't exist I would rot as a corpse slowly losing my memories and getting erased forever and the only hell in my existence was my life

I cried more than ever while still falling
And I finally
Hit the ground

The End

Hello I am Saba Khazhomia

If you're reading this I'm probably already dead
I don't know how I'm going to die nor when, the only thing I do know
Is that I AM going to leave this world one day and it's not going to be by age because I've been planning on ending it myself ever since 2017

I wanted to leave something behind and I know I am a failure so I won't be able to leave much behind so I decided to write about myself so I'll live on in a different way, Short story ideas and information about myself are the things I'll leave behind

If I stop existing all together I called it
If I went to hell that would be suffering after suffering

If I went to haven... I'm going to enjoy seeing you guys suffer from up there (this is 2021 Saba here I... was still an aggressive kid back then and I probably wrote this after my parents arguing so don't take that line so seriously I've changed a lot since then)

I want you guys to remember that when you die you leave this dimension forever and you have limited amount of time to say anything
Even if you're 12 years old you might still die
So you have to make sure that you'll leave something behind to your friends and loved ones before that happens or just do the same thing I'm doing and write about yourself that nobody else understood about you or deeper feelings you had about the world around you.

Say what you need and want to say by a message or even talk to them about it because the earth is spinning and it's not going to stay in one place for the rest of its existence, you'll never get an opportunity to tell them about yourself so... yeah you need to be ready for anything.

(I'm going to be writing short things about me that I forgot to write under this comment)

I like writing stories, acting, sometimes animating/drawing, watching YouTube videos and playing but do you know what I hate? Never getting help when I'm doing homework, my parents arguing with me and everyone else, my brain shutting down when I try doing my homework, not being able to learn quickly, stupid internet commenters who skip TWO LETTERS to make sound a word " you " sound stupid (I heard that they do it because they're too lazy to write correctly but HOW LAZY CAN YOU BE TO SKIP TWO LETTERS) they say u instead of You so... I hate them because of it.

(this is from Google) The ability to defocus **your** eyes **on** command is a natural one, but not everyone **can** do it. **It's** accomplished by having the ability to relax the ciliary muscles in **your** eyes, which causes them to lose **their** focusing powers.

And yet I've never seen someone else who was able to do it I felt it was rare but I guess many people can do it I learnt to do it when I was a kid and trying to look at my nose with my eyes It felt weird that my eyes automatically defocus when I did it but then I realized I was looking at my nose and defocusing it at the same time and I learnt how to defocus it afterwards

I also enjoy Shel silverstein's poems since it has deep meanings and they are pretty short (Monika recommended it in the game)

I make stories in my mind and to remember them I name them
But the first time I forgot about the story I made up in my mind

I decided to write what the story is about to remember them

I sometimes made stories on my own and sometimes I made a story about the series I enjoyed

I tell myself almost every day that I'm in hell because then I'll remember my past experiences, since I feel like I'm forgetting important parts of my life I'll at the very LEAST remember that

I like jungle biomes in Minecraft because of the overwhelming green colors it has, some Jungle trees are huge, have and not only that but the leaf blocks on the top are making a flat surface you can build on so you can make a tree house on them. there are many vines in that biome which can help you climb things including trees. Why did I write about this?... I have no idea.

I don't have much motivation to do anything that's probably why I start reading books when I'm REALLY bored of playing the same games over and over and over again, that's also why my Youtube Channel is half dead, when I get motivation to animate or make a Video again I just do.

I still hate the fact that I deleted my gameplay of five nights at freddy's 3 it was hilarious of how terrified I was of Spring Trap even if I knew what type of Jumpscare he was going to make I still left my room while saying Nope over and over again

I try writing stories in my mind by following the story's 7 act structure

Totally Not Mark explains a lot about Story writing and you can watch his videos that I saved in my Youtube playlist called “ the information I take to write my stories “

Here’s a tragic fact

I was playing Xbox 360 before being informed about my grandpa’s death

and I was playing ps4 when I heard Mom talk about going to someone’s funeral

it was my little sister’s friend’s little brother’s funeral

both times I was playing

this proves that tragedies can happen in the unlikeliest of times

I still ask myself why I didn’t go upstairs to see Grandpa myself

He was in a terrible condition and I didn’t do anything about it

I can’t allow this to happen again... but what will it do other than give me post traumatic stress disorder

It is terrifying to die when you’re not ready or be forgotten about after death or even not knowing about

the person who died, the person who you could've known more about just by dialing numbers in a phone

If this world is going to take away my Grandma
This will be the only way of understanding me a little more

I recommend reading my old stories like Jeremy in Fazbear's Fright or Fazbear's revival (I also added Fazbear's Fright map in Microsoft Excel)

The story writing categories of movies and games

Overall rankings:

1 Doki Doki literature club

2 Up

Games

1 Doki Doki literature club: even if they were fictional characters all of them have one part of my personality it's tragic to see them go and they saved my life because they were the first characters who explained their deepest thoughts and beliefs that were same as mine I thought I was alone in this world and that nobody would believe me or they would pretend to believe me because the demons would be able to torture me by taking them away.

Fun fact the lines Monika gave me near the end of the game (and Mat pat's video about losing control that I

saved in “ Videos I like to watch ” playlist on Youtube)
are the reason why I made the short story “ Trail “

Movies

1 Up: it has a fantastic story and even if there are couple of parts which don't make much sense it is still one of the greatest movies teaching people that your life is the greatest adventure you could ask for, it's like an emotional rollercoaster (both the movie and my life... other than 2017-2020 I was still depressed back then) (oh and also my mom reacted to my short stories and explained that it's not the life that you should take as a monster it's death and that George was the person who understood Her feelings when she was going through a rough time herself) now I can't get that “ Married life “ Theme

(from the movie) out of my head it's so memorable and I love that they remixed this same music so it would fit sad scenes or happy scenes (like Russell and Carl finding Kevin's home that was the happy version or the time Carl sees the newer photographs in the book the sad version)

(I'm going to be writing short things about me that I forgot to write above this comment)

If someone else sees this in couple of decades I'm happy
I'm happy that someone found it
Because after my death these are the only words written
by me
The only words existing after my erasure

The tip of the day

If you keep your pen on one place for too long you'll only
get a puddle of ink

You won't develop your work if you won't make mistakes
and learn from your mistakes to make it better

The tip of the day

Don't judge a book by its cover
It can work on humans too
They might be hiding their true selves

They might be good they might be bad
And sometimes if you'll find their true selves
You'll save two lives
Yourself and the person going through the pain

That's what happened to me
I found a first person who understood my pain
Suicide the thoughts of life I never told anybody because I
took them as demons demons who understand my pain
but wouldn't show it because I'd feel better about the fact
that someone understands me they used that knowledge
to torture me
I locked my own self in a cage

Somebody would even call me a chocolate in a box that
was never eaten, you'll never know its taste until you
take that first bite

The tip of the day

Your work can improve by practice learning by example
and trying new things your work will never be a waste of
time if you put your mind to it

I wish that my true last words will be that I wish I had a
soul
My grandpa was the same way
He was afraid of death

And now I know
What he meant

Humans lived for thousands of years, billions of them died
already but here I am still breathing waiting for death to
erase me forever
I am like one atom in an ocean
Nobody would know nor care about my disappearance

I got countless opportunities to become smart
Creative
Be remembered as a kind person

And here I am a 14 year old thinking about his choices in
life
That will ruin it the rest of his days

This is my last day of being a 14 year old
This is the day I am scared of because I am afraid of
losing myself
I've had the same personality for 4 years now and after
the torture ended I don't feel the same anymore and
more torture only made it worse... I don't want to die
known as a madman a completely different person
because the clock is ticking I will never be a 14 year old
ever again this is a lot to take in because that just shows
how far I've come how far I need to go but also the
earliest time I remember is when I was 5 and looking
outside the window of our old home seeing mom carrying
my newborn sister Elene, it has been a decade since that

happened and I didn't even realize it at first. I'm afraid of this happening to every year of my life just looking at a clock knowing one day the timer would run out I don't want this to be my end.

These were the comments that I commented 7 months ago

I wish I'd have the same mindset as him

If I would have had control over my body I would have killed myself over two months ago but one week ago I realized that there was something locked in a box inside my head and to open it I had to get better as a person even if I was getting punched around I had to fight back

When I got ignored I ignored them back and only talked to myself and kind of a good thing is that I was a performer so I could talk to myself in different personalities and I started liking writing stories because not only you could use it as a job but also my imagination would take me away from the living hell that is this world

Never keep your hopes up that way when you get something good you would be surprised and happier but if you didn't get anything you would just know that you called it so you literally predicted their move and avoided it (meaning that you shouldn't imagine a great future ahead of you think of all the bad possibilities so when you actually get something good you'll be happy something bad didn't happen and if it was the thing you thought was going to happen you'd know that this would happen and you'd avoid it even though there is one problem with this comment control. There are infinite possibilities of terrible things happening so you never have 100% clue nor 100% control over the things you do so even if you got ready to

avoid it you'd get screwed over for another reason or even preparing in the first place.)

my favorite poems

A dog is given food until it has eaten
A dog will run away if it is beaten
Not beaten as in though a game
Beaten in an act of pain.

If a dog fights back
It will be put to sleep

A human however
Is left to weep
To tiptoe around
Eternally scared
Praying their footsteps
Never are heard.

Don't pity the dog
The dog is dead
But before it left
It was well fed.

I'd rather be a dog instead.

Eagles Can Fly

Monkeys can climb
Crickets can leap
Horses can race
Owls can seek
Cheetahs can run
Eagles can fly

But that's about it.

Dear Sunshine

The way you glow through my blinds in the morning
It makes me feel like you missed me.
Kissing my forehead to help me out of bed
Making me rub the sleep from my eyes.

Are you asking me to come out and play?
Are you trusting me to wish away a rainy day?
I look above. The sky is blue.
It's a secret, but I trust you too.

If it wasn't for you, I could sleep forever.
But I'm not mad

I want breakfast.

Rhyme!
By Imari~

The time we spend here, I wish it would never
end

I like the feeling of being here with friends
(I lose track of time often!) Lend that to the
fact

That I get to act on my artistic impulses again
And again I get to be genuine when I want
to

No need to defend what's important to me,
No need to offend whoever's in front of
me.

Words bend and creak, as we all get to speak
Meaning blends and augments
Beyond the things we meant

That's why we meet, and appear time after
time

Because for us to be here there is no reason or
rhyme
